Le Claire

October 28, 1953

Dear Mrs. Stuff,

Enclosed are some cards for books which have long ago been borrowed from the bookmobile in Le Claire, we think - or perhaps from the station rightx after it opened. At any rate, we can't get anything from them at this end. Would you give it a try down there, please.

Sincerely,

Elizabbth B. Hage

Mrs. Lenore H. Truitt
Walcott, Iowa

Dear Mrs. Truitt:

Some time ago you returned cards for 4 books, two of which you said would be paid for, andthe other two, apparently, are lost, too, but there's not much chance of collecting for them.

Enclosed are the white book cards for the two which you indicated would be paid for. The price of each is marked at the top of the card. Be sure to give a receipt for the book when it is paid for.

Yours very truly,

Elizabeth B. Hage
